

PARTY SAFE PROGRAM

This program encourages and empowers students to make positive choices within various party environments.

PREPARING STUDENTS FOR SAFE CELEBRATIONS IN ANY PARTY ENVIRONMENT.

Our Party Safe program leaves students aware of and equipped to navigate many of the situations they may be confronted with in various party environments, such as after parties and music festivals. This hands-on program helps students identify the dangers present in party situations and equips them with strategies to make informed decisions to protect themselves and others. Using stories from our experience as first responders at party events like Schoolies/Leavers Week, we'll challenge prevalent mainstream perceptions on excessive alcohol consumption and recreational drug use, and empower students to be socially responsible and safe.

TOPICS INCLUDE:

- Alcohol, drugs & the Australian drinking culture
- Understanding the definition of a standard drink
- The laws surrounding alcohol and drugs
- The dangers of drink spiking
- Managing peer pressure
- Safe partying tips
- Practical activities to engage students and reinforce messages
- Accessing emergency services
